SHINING STAR.....

Aarav Bhatnagar is a grade 7th student at BGSIPS International School, Dwarka, New Delhi. Like many kids of his age, he dreams to excel in whatever he does and this book is one step towards that same goal. He is an avid book reader, skillful soccer player, fascinating chess player and an ardent Harry Potter fan.

The famous Colonel is murdered in his birthday party... there are no clues... and no one seems to have a solid motive to kill the eccentric Colonel, then how did he die? James Scully, the renowned detective, has to use all his experience to find the one behind this grisly murder, in what will be his last case before retirement.

Will the famous detective be able to solve this case in time before an innocent is sentenced?

Tick, tock, tick. Time is already running out...

The Project was open for all schools affiliated to Central Board of Secondary Education (CBSE). The school organized various activities like essay and poetry writing, and poster making, on the theme as per CBSE guidelines. A special assembly was conducted where Col. Rakesh Sharma, Sena Medal Gallantry (retd.) was invited to address the students. Col. Sharma motivated the students by sharing his experiences and anecdotes from his glorious army days.

Veer Bal Diwas is celebrated in honour of four Sahibzadas of Guru Gobind Sahib Ji, who were martyred in the 17th century. To honour the bravery, valour and sacrifice of the Veer Sahebs, the Foundation and Preparatory Wings celebrated Veer Bal Diwas with various activities like poster making, poetry recitation and monologue.

GRADUATION DAY 2023

The Foundation Wing celebrated its first Graduation Day after the pandemic on 11th March 2023. The grand event was graced by the presence of our Honorable Secretary M.K. Ganjoo. The guest of honour was Ms. Avi Goswami, Asst. Director, Ministry of Information & Broadcasting. BGSIPS is proud of its alumna Avi Goswami who has risen to this position with her caliber and hard work. The event saw 100% participation from Level II to Class II. The programme was a feast to the eyes, with the tiny tots dancing and performing to their hearts' content.

ORIENTATION PROGRAM

ORIENTATION DAY for the new students and their parents was organized on 13th March 2023. The parents were familiarized with the school campus and its functioning. The principal Ms. Punam Gupta addressed the gathering and shared important points and guidelines pertaining to the new academic session. The event also included a short session on GOOD PARENTING by the guest speaker Mr. Kamalneet Singh, Director Promise Group, and a mindset coach.

STAFF PICNIC

All work and no play makes Jack a dull boy! The year end was marked with the BGSIPS staff letting their hair down at Chokhi Dhani, Sonipat. The staff enjoyed the theme based farm and relished the Rajasthani and North Indian cuisine. There was music and dance, and the cold winter day was thoroughly enjoyed by all.

20 YEARS OF EMPOWERING LIVES

down the memory lane....

It was 18th of January 2003. The Jayantotsav celebrations of His Holiness Padmabhushan Jagadguru Dr. Sri Sri Sri Balagangadaranatha MahaSwamiji were in full swing. Just then, an announcement was made that changed the course of my life. I was transferred from Mangaluru to New Delhi to start a new branch of BGS schools. I vividly remember Maha Swamiji's profound words. He said, 'Punam, I am shouldering you with a big responsibility, to start our first school in northern India.' Rest, as they say, is history.

With the divine benediction of Param Poojya Maha Swamji, I landed in New Delhi on the 4th of March 2003. I was new to the city, and I didn't know which way the wind would blow. It was under the invaluable guidance of our Managing Director Sri Sri Dr. Prakashnath Swamiji, and the support of Mr. M.K. Ganjoo, Secretary BGSIPS, that I started my journey.

My first visit to the school premises was to witness a school building which was still under construction. Right from hiring staff to getting our first set of 23 admissions, two out of which were my own daughters, it was literally a new beginning for me. We appointed our first batch of teaching and administrative staff who remain an integral part of my memorable journey of two decades.

In 2009, we realized that we were short of classrooms. That is when two more blocks were added to the school building, and within no time, they were filled up too. We were fortunate to build a team of qualified and dedicated teachers over the years, most of whom, are still with us. Many of our teachers have even received recognition in the form of awards for their exemplary work.

Leading out the inner human potential through quality education is the mission of BGSIPS, with punctuality and discipline as its core values. I personally believe that education is the weapon with which we can bring the change that we wish to see in the world around us. It is not just a nine- letter word, but way beyond that.

My approach in life has always been 'goal- oriented', and I work with a plan. I believe in 'open door policy and having a one to one connect with teachers, students, and parents. Nobody ever finds the door of my office closed.

In the last 20 years, the school has maintained excellent results both in class X and XII board exams. Even during the two years of pandemic, the school ensured that there was no break in learning. The teachers geared themselves up for the online classrooms and did not shy away from learning the new tools of teaching. Besides the main subjects being taught, activity classes and special assemblies were also conducted online.

I believe in the holistic development of students and my focus is on social, emotional, physical, and intellectual wellbeing of each child who is entrusted to my care. Sports and co- scholastic activities are given due importance at BGSIPS. Our Calendar of Events is designed with the aim of making students more become innovative, adaptable, and productive in all the areas. Our students, besides bringing laurels in academics, also bag medals and prizes in sports and other co-curricular activities.

The Indian Government made a landmark change in the year 2020 with the introduction of NEP 2020. We, at BGSIPS, have incorporated the 21st-century learning into our curriculum in line with the new policy, the focus being on developing skills, values, and attitudes in the students to prepare them for the changing times ahead.

Swamiji entrusted me with a big responsibility, but he also gave me the wings of independence and the liberty to take decisions. With the divine blessings of His Holiness Jagadguru Sri Sri Sri Nirmalanandanatha Maha Swamiji, and the unwavering support of management, BGSIPS has made a name for itself in the educational hub of Dwarka. Often, I wake up to messages from students sharing their accomplishments. Every year, we have students cracking the toughest possible entrance exams and making it to top institutes across the country and abroad. It gives me immense pride to see the vision, values, and dedication with which we started this school bear fruit.

There are miles to go and many more milestones to cross. Leadership and learning go hand in hand. As BGSIPS turns 20, let the learning never stop. Let's learn, unlearn, and relearn; and continue this glorious journey into the next decade. With gratitude in my heart, I thank the entire BGSIPS family for turning the vision of Maha Swamiji into reality!

ADIEU.....

'Retirement is not the end of the road. It is the beginning of the open highway.' BGSIPS family bid adieu to two of its eminent members who embraced retirement from their remarkable active teaching career.

Ms. Rohini Rakesh Sharma joined BGSIPS on 12th Oct 2006 and served as the coordinator of Primary Wing for 15 years. Ms. Sharma had a strong connect with both students and teachers, and she was the 'go to' person for children across all wings. Her happiness quotient classes were favorite among the students. Her warm and pleasant nature endeared her to all. BGSIPS family wishes a very happy *second innings* to her!

Mr. Om Prakash Jha joined this esteemed institution as PGT Physics on 7th July 2011. He was the first full time PGT Physics to embark on this role at BGSIPS. Mr. Jha was a dedicated teacher and mentor who went out of his way to help students and his fellow teachers, and he is held in high regard by all . BGSIPS family wishes a very happy *second innings* to him!
